Other links	Funding Approval Category	Approval Required	Notes
GM EUR funding request forms	Individual Funding Request (Exceptional Case) Approval	Yes	A decision has been taken not to commission a specific treatment. Funding will only be approved if there is evidence of clinical exceptional circumstances.
	Individual Prior Approval	Yes	The Commissioner has specifically requested that funding is sought for a particular treatment. The treatment must not be undertaken without funding approval from commissioners. Exceptional circumstances do not always have to be demonstrated.
PbR Excluded Drugs List	Monitored Approval	No	The specific treatment may be undertaken in line with agreed EUR policy criteria/routine commissioning arrangements provided the policy criteria is met, clinicians can refer patients without seeking approval. If the patient does not meet the policy criteria clinicians should apply for Individual Funding Request (Exceptional Case) Approval. Audits may be undertaken to ensure adherence with agreed commissioning arrangements.
